The complete real estate solution

| Leadership & Vision

Mr. Sandeep Agrawal

FOUNDER & MD

Founding the company, Mr. Sandeep Agrawal is Chhattisgarh's trusted giant in real estate solutions and marketing.

He puts forward focus on client-transparency, structured compliance and robust commitment to ethical procedures has forged enduring relationships with brands, landowners, and residents across the state.

About Us

Established in 2001, we began as an early entrant in real estate marketing, delivering foundational residential and commercial services. We expanded into land-based solutions for the agricultural, industrial, and construction sectors. Our successful transition into an organized consultancy firm in 2007 paved the way for the formal incorporation of **SAIVAIBHAV INFRAREALITIES PVT. LTD.** in 2012.

Today, SAIVAIBHAV INFRAREALITIES stands as a pioneer in Raipur, providing comprehensive, end-to-end real estate solutions. We specialize in high-impact project marketing for residential and commercial developments, alongside specialized leasing services for warehouses, corporate offices, and retail spaces.

8-10 years experience of managing & leasing of malls
